Honorable Judiciary Committee,

I am a resident of Durham CT and I strongly urge you to oppose bill H.B. 6355. We already have an effective law in place to protect people from these things and this proposed law can be used too easily for malicious intent. Your opposition to this law is important and I am asking that you oppose it.

I strongly urge you to support bill H.B.6491.

Thank you for your public service.

Respectfully,

Anthony Kearns
